

WHAT CLUB MAC CONTRIBUTES TO THE BRITISH COMMUNITY

a) UNICEF

- **MAC Hotels** is partner of the program “Hoteles Amigos” of **UNICEF** since 2013. “Hoteles Amigos” is an initiative of the **UNICEF** Spanish Committee together with the tourism sector for the protection of children, and in particular for the fight against the commercial sexual exploitation of children in travel. Companies in the tourist sector become stakeholders who collaborate with **UNICEF** on programs of protection and defense of the rights of children. **Club MAC** became a platform for communication and mobilization of customers and employees with different actions, forming part of the respect and promotion of the rights of children and against the commercial sexual exploitation of children in travel.
- **Club MAC** has raised the sum of **€13,495** for **UNICEF** in the past two years.
